Directors Message
By Virginia Bodrate

Today, as I sit surveying a bitter blue sky, I can't help but wonder if our local celebrity, Staten Island "CHUCK" is right. Do we have only six weeks of winter remaining? Are we to be blessed with an early Spring?

2014 was a celebratory year for District One. It was a pleasure to attend the various holiday festivities of all member clubs, but as District Director it was an honor to mark and celebrate the 100th anniversary of the Staten Island Garden Club, the 75th anniversary of the Castle Manor Garden Club and the 60th anniversary of the Great Kills Garden Club.

Many of our clubs do not meet in January, but long standing obligations are honored. Following its usual practice in observance of St. Valentine's Day, the members of the Great Kills Garden Club will prepare and distribute 450 Roses to residents of the Eger Nursing Home on February 13th. The Staten Island Garden Club will host a flower arrangement workshop at their February meeting. And as District Director I will install a new slate of officers for this club, as well as the Great Kills Garden Club.

District One is planning its June 6th Flower Show at the New Dorp Moravian Parish Hall. Leslie and Joel Heffner are Chairman and Co Chairman of the event. The unique theme - "BAKER STREET MYSTERIES" pays homage to the renowned and fictional detective Sherlock Holmes and promises to be an exciting event.

Our Annual luncheon this year will be at the Staaten on April 16th. Betty La Femina, Assistant District Director chairs the program and I express my gratitude for her valuable support and loyalty.

In March I will be attending the 91st Annual Meeting and Installation of State Officers and District Directors at the Desmond Hotel And Conference Center in Albany, New York. Our own Lucille Bauer will be installed as 2nd Vice President of FGCNYS and Carol Berardi will replace me as District One Director. Congratulations and Best Wishes to both for a successful term as well as to all new members of the 2015-2017 Executive Board as they continue to develop and promote many worthy projects.

2015 marks my fortieth year as a member of the FGCNYS and the Great Kills Garden Club. The friendships I have developed over these years are priceless and have enriched my life. I consider myself fortunate to have participated in many worthy causes and God willing I will continue as long as I am able to do so.

Club News

Castle Manor

Autumn of 2014 was chockfull of activities for our club members. In September, we had a mini-trip to Historic Richmond Town with a wonderful lunch at the tavern followed by a tour led by Helen Sauter through the village visiting several of the homes and the museum. Helen even gathered a history of information on the Island for 1939 in connection with our 75th Anniversary. Needless to say, it was truly a special day for our club!

In October, our club decorated 6 windows for St. Paul's Flower Festival. The Concert and Tea was so nice and we look forward to next year. Our Photo Contest winners were on display at our meeting and card party. Our guests were served a catered luncheon and lots of desserts. It was a lovely afternoon and we want to thank everyone for entering their photos. Our judges had a difficult time because the caliber of photos this year was incredible!

In November, our members were treated to a program by Joseph Adia, a member of Origami USA. Mr. Adia, a very charming young man, helped us to make our own origami flowers. And, he brought his own works of art with him so we could start an early Christmas shopping.

We are now looking forward to our 75th Anniversary Dinner Dance on December 15. We want to congratulate our Club President Lucille Bauer for her nomination to the FGCNYS Board for the position of 2nd Vice President. Well deserved!

Good Health and Blessings of the Season!

Robert Bauer, reporting

GARDEN THERAPY

The Club is at a great loss with the recent passing of Mary Piraino, our first president and dear friend. She will be greatly missed.

We look forward to our holiday party on Dec. 2nd at which Georgie and Eileen will teach a hands on class about Holiday plants and flowers. The club will be participating in Wreaths Across America 2014 to supply wreaths for the graves of our fallen soldiers. Club members have decorated a live tree with hand-made ornaments made of native and recyclable mate-

rial that will be replanted at one of our gardens in the Spring of 2015. Members also made Pine Cone Bird Seed Feeders and Bird Baths from recycled china and soup dishes. Our Jewelry Raffle Fundraiser will be held on Dec. 2nd and we'd like to thank Goff Jewelers for donating the prizes for this raffle. Members took part in local Thanksgiving drives by collecting food, clothes and toys for needy families on Staten Island.

In September the club held an Herbal Tea Party at Community Resources and met with foreign exchange students from Japan at CUNY for an International Day where we made floral pieces with roses and the Japanese students made centerpieces with their national flowers and plants. In October we had a pumpkin decorating contest at IS 51 we also planted bulbs and mums at our memorial gardens at Community Resources, Travis, Christian Pentecostal Church and at IS 57 and made hand Holiday Cards that were sent to our active duty military overseas. In November we honored our disabled veterans by distributing handmade floral gifts at local V.A Facilities. Our members also attended a class a Panera Bread about how wheat is grown and made their individual home-made bread.

We are very proud of our club members received several awards at the Fall District Luncheon as well as from several local, city and state organizations for their work in garden therapy, a total of 122 for 2014 and still counting. We would like to wish all of you a Happy, Healthy and Blessed Holiday Season.

Georgie Hicinbothem and Eileen Torricelli, reporting

Great Kills

Our September meeting was our most popular famous auction. Members brought their old and new possessions to be auctioned off. Joan Junqua was our auctioneer and has developed a great skill and humor at this task. We had our flower show on September 13, it was a great success.

October meeting was very interesting. We had a brief history of paper making, and then a demonstration of how paper pulp can be made in a blender using recycled paper and botanical additives such as leaves and petals. Kathy Trimarco, a park ranger at the nature center and an artist was our instructor.

Club News

In November we had a 60th Anniversary party with our members and several members from other clubs attending. The party was held at Ptrizia's and was a great success. Our November program will be a walk in the woods. Our speaker is John Kilcullen, the Executive Director of the Conference House in Tottenville. He frequently leads walks in the Staten Island Greenbelt. December is one of our most popular meetings. We celebrate our Christmas party with everyone bringing a favorite recipe and a \$10 grab bag gift.

We hope everyone has a wonderful holiday and a very Happy New Year!

Lillian Ferrelli, reporting

RICHMOND EVERGREEN

In September members enjoyed a bus trip to Winterthur Museum showcasing the costumes of Downton Abbey. Origami was the topic of our September meeting as Joseph Adia, member of Origami USA discussed the history and demonstrated the art of doing Origami. Members were happy to attend the 60th Anniversary of the Great Kills Garden Club at Patrizia's restaurant. At our October meeting we welcomed back to our group Dorothy Vaccaro. October's speaker was Greg Lord. Greg is Director of Horticulture at Snug Harbor and discussed fall blooming perennials along with a slide show. Bernadette Sullivan made a beautiful window box that was displayed at St. Paul's 15th Annual Flower Festival.

The Hilton was once again the venue for our annual Tea. This year's theme was "Under the Big Top" and the entertainers received a few chuckles from everyone. Sean Psomas proprietor of Wildflowers demonstrated how to create balance while demonstrating how to make a cornucopia for our holiday tables. In December we will be decorating Garibaldi-Meucci Museum for the season. We will end 2014 with a Christmas party at Cielo Ristorante and look forward to spring with so many new ideas for our community.

SOUTH SHORE

Members attended the First District Luncheon at the Staaten Restaurant on October 23 and enjoyed the fabulous floral program given by John Newman, The Singing Florist. Awards were presented by District Director, Virginia Bodrate and District I Awards Chair, Lynne McNamara. A Director's Award was presented to Gertrude Sokolowsky for her leadership, dedication and service to the South Shore Garden Club as president for over 20 years. The South Shore Garden Club won the following New York State awards: Civic Concern Citation-Community Gardens for the Tommy Monahan Memorial Tree at the Conference House Park, NYS State Award for Club Recognition and the State Award for World Gardening. District Awards presented were Garden Therapy Award to Gertrude Sokolowsky for over 20 years of dedicated service with the Down Syndrome Group. Another District Award presented was to the South Shore Garden and the Russo Family for their outstanding dedication and service in the area of garden therapy with the South Shore Garden Club.

Our deepest sympathy to the family of Mary Pirano who passed away on October 27. She was such a driving force in First District and on the state level. Mary was a past district director, parliamentarian, accredited horticulture judge, chairman of the judges council, state garden therapy chair and an active member of the Great Kills Garden Club. She was always so supportive to our club. Mary will be sorely missed.

Our club will be having our Annual Holiday Party on Saturday, December 13 at 12:00 noon at the Historic Old Bermuda Inn.

Cost \$45.00. Please come and support our club's annual fundraiser. For reservations, please call 718.966.8164 or email gsokolowsky@gmail.com. Happy Holidays and a Happy and Healthy New Year.

Gertrude Sokolowsky and Lynne McNamara reporting

STATEN ISLAND

At our October meeting Honorary member Susan Wightman presented a demonstration and workshop. The object was to teach members how to create seasonal and holiday decorations using natural products common in Victorian times.

Our nominating committee has completed the slate of new officers; to be presented at our December meeting. In October Celide Hogan lead her committee in planting Daffodil bulbs at Gaeta Park Memorial.

Club News

Club member Terri Torsney organized a Holiday Decorating Party held at Alice Austen House Museum. On November 21st. the museum was turned into a beautiful display of Victorian decorated trees, windows were lovely adorned with greenery. The dining area displayed beautifully for entertaining. A most enjoyable day included lunch.

Meeting and Holiday luncheon for members and guests will be Wednesday December 3rd at Italianissimo Restaurant on McClean Avenue. Vice President Patricia Harder will chair our luncheon. "Gifts from the winter garden" will be our program presented by Design Arranger, Annie Lee Wightman. She is a member of the Staten Island

Garden Club and Horticulture Committee Chair. February 25th, first meeting of 2015 will be "Flower arrangement workshop". Members will participate in a workshop using fresh cut flowers and garden evergreens. Completed arrangements will be critiqued for educational purposes in preparation for upcoming District 1 Flower Show. Director of First District, Past President of Great Kills Garden Club and winner of numerous flower show designs Virginia Bodrate will be our guest leader. Installation of Officers will also take place at this meeting.

Merry Christmas and Happy Holidays to All!!!
